**VOLUNTARY CHECKOFF AUTHORIZATION**

I hereby authorize and direct the company named below and all other signatory employers to whom I am subsequently referred by my IUEC Local Union, in accordance with the IUEC-NEBA national agreement, to deduct from my pay the sum of (please check one) \_\_\_ five cents (\$.05) per hour, or \_\_\_ ten cents (\$.10) per hour, or \_\_\_ other (please insert amount) for each hour of work performed by me as your employee, and to remit that amount on a continuing basis to the National Elevator Constructors Political Action Committee (NECPAC).

I understand that I can contribute more or less than the above-suggested amount through other methods such as direct contribution to NECPAC. I further understand that this is a voluntary contribution, and that I will not be disfavored or discriminated against in my employment, job referrals, or union membership if I choose not to make any contribution at all or make one in an amount different from the amounts suggested above; nor will I be favored in my employment, job referrals, or union membership should I choose to make a contribution.

I understand that the money I contribute will be used for political purposes and I understand that all or some of the amount I contribute may be used to influence the election or defeat of candidates in elections for federal, state or local office or to address political issues and referendums of public importance.

This authorization has been voluntarily made, is intended to be binding on each and every signatory employer for whom I work and shall remain in full force and effect until revoked by me by written notice of revocation to my employer and to the IUEC.
