RE: Women Build Nations Conference – Oct. 1 -3, 2021

Please post and share the attached flyer regarding this important upcoming event.

The conference will be held in New Orleans and is sponsored by North America's Building Trades Union. Please communicate this information with our sisters, we want them there to represent the IUEC. The convention is beneficial with numerous workshops and seminars. These workshops will assist with understanding unions, history, OSHA rights, leadership skills and how to be a strong and proud union member.

I am requesting your support and assistance to get the word out.

Fraternally,

Frank J. Christensen  
General President
